

Kindergarten Information Meetings

January 8, 2019

Dear Parents,

You are cordially invited to attend one of the Genesis School's **Kindergarten Information Meetings** for parents of current students in the PK2/VPK classes. The **Kindergarten Information Meetings** will be held at the end of January and the dates and times are listed below. Here are some of the topics which will be discussed:

- The Kindergarten teacher will be on hand to tell you all about the Kindergarten schedule and exciting curriculum. She is very enthusiastic about the comprehensive program, as you will see!
- Other teachers will be there to tell you about the Special Classes all Kindergarten students will take, such as Art, Music, Physical Education, Computer, and Spanish. These teachers *love* to talk about their subjects!
- Current and past parents of Kindergarten students will be there to tell you about their children's experiences in the lively world of Kindergarten. They look forward to speaking with you. Also, Dr. Missy, Head of School, will be on hand to talk about the high academic performance of Genesis students, the school in general, and the financial assistance available for students to help pay for tuition.

There will be three **Kindergarten Information Meetings**, so please indicate below which one you would like to attend. If you have any questions, please feel free to contact me. I look forward to seeing you at the meetings.

Sincerely,
Ms. Jackie
